

HORIZON[®] navigation fast, easy and intuitive

Account Selection

The Sample Report Selection Wizard allows users to easily navigate through account, component and sample information. Once you have filtered for the accounts you want to see, drill down to specific components or go directly to sample reports.

Sample Report Selection Wizard
Select By Account > Component > Sample

Filter and sort by account number and name, city, state or country.

View by: 000000 0000 0000

Global search capability allows users to search any data they have access to in any filter or sort field.

Show 50 entries

Select	Account Number	Account Name	City	State	Country
<input type="checkbox"/>	65432100000000	ABC CORPORATE HEADQUARTERS	INDIANAPOLIS	IN	US
<input type="checkbox"/>	12345600000000	XYZ CORPORATE HEADQUARTERS	BALTIMORE	MD	US
<input type="checkbox"/>	45612300000000	123 CORPORATE HEADQUARTERS	MADRID		ES

Showing 1 to 3 of 3 entries (filtered from 106 total entries)

View by: 000000 0000 0000

Access data by account level with the "view by" feature. Click on first six digits to view all top level accounts, the second set of four digits to view top level and sub accounts or the third set of four digits to remove the filter and view all accounts down to the end user level.

The application's speed and pagination features give users quicker access to all data. Paginate for 25, 50, 100, 500 or 1,000 entries at a time.

Select	Account Number	Account Name	City
<input type="checkbox"/>	12345600000000	XYZ CORPORATE HEADQUARTERS	INDIA
<input type="checkbox"/>	12345600010000	XYZ DISTRIBUTER 1	BALTIMORE
<input type="checkbox"/>	12345600020000	XYZ DISTRIBUTER 2	MADRID
<input type="checkbox"/>	12345600030000	XYZ DISTRIBUTER 3	LOUISVILLE

<input type="checkbox"/>	12345600050000	XYZ DISTRIBUTER 5	DALLAS
<input type="checkbox"/>	12345600060000	XYZ DISTRIBUTER 6	
<input type="checkbox"/>	12345600070000	XYZ DISTRIBUTER 7	
<input type="checkbox"/>	12345600080000	XYZ DISTRIBUTER 8	
<input type="checkbox"/>	12345600090000	XYZ DISTRIBUTER 9	
<input type="checkbox"/>	12345600100000	XYZ DISTRIBUTER 10	
<input type="checkbox"/>	12345600110000	XYZ DISTRIBUTER 11	

Showing 1 to 19 of 19 entries (filtered from 106 total entries)

View by: 000000 0000 0000

Navigation options at the bottom of each screen easily move the user through pagination.

Check individual line items to select only certain accounts. Check the Select box to select all data the user has access to within the pagination designated.

Select	Account Number	Account Name	City
<input type="checkbox"/>	12345600000000	XYZ CORPORATE HEADQUARTERS	INDIANAPOLIS
<input type="checkbox"/>	12345600010000	XYZ DISTRIBUTER 1	BEL AIR
<input type="checkbox"/>	12345600010001	XYZ END USER 1	BEL AIR
<input type="checkbox"/>	12345600010002	XYZ END USER 2	CAMBRIDGE
<input type="checkbox"/>	12345600010003	XYZ END USER 3	EAGLE HARBOR
<input type="checkbox"/>	12345600010004	XYZ END USER 4	EAGLE HARBOR
<input type="checkbox"/>	12345600010005	XYZ END USER 5	MOUNT AIRY

Questions? custserv@eoilreports.com

Account Selection → Component Selection

Component Selection contains the same search, filter and pagination capabilities found in Account Selection.

Component Selection provides further data to filter and sort by—Component Type, Manufacturer and Model, Secondary ID. Search for sample reports only for components that have test data on file or by selecting the most recent report.

Select	Account Name	Component ID	Component Type	Component Manufacturer	Component Model	Secondary ID	Reports On File	Most Recent
<input type="checkbox"/>	XYZ END USER 1	1234 COMPONENT E	DIESEL ENGINE	CUMMINS	EQST30		10	14-Mar-2011
<input type="checkbox"/>	XYZ END USER 1	4321 COMPONENT E	DIESEL ENGINE	CUMMINS	EQST30		6	14-Mar-2011
<input type="checkbox"/>	XYZ END USER 1	1243 COMPONENT E	DIESEL ENGINE	CUMMINS	EQST30		9	14-Mar-2011

Component Selection → Sample Selection

Sample Selection has the same search, filter and pagination capabilities found in Account and Component Selection as well as detailed sample information users can view at a glance or drill down through for specifics.

Sample Selection indicates unviewed sample reports and the severity of each. Users can drill down to the actual report, see at a glance if maintenance action has been taken or post a message for others.

Select	Account Name	Component ID	Component Type	Lab Number	Date Received	Severity	Unviewed	Action Required	Message
<input type="checkbox"/>	XYZ END USER 1	1234 COMPONENT E	DIESEL ENGINE	I-671259	14-Mar-2011	0			
<input type="checkbox"/>	XYZ END USER 1	1234 COMPONENT E	DIESEL ENGINE	I-670646	10-Mar-2011	4		Open	
<input type="checkbox"/>	XYZ END USER 1	1243 COMPONENT E	DIESEL ENGINE	A-670644	10-Mar-2011	4		Open	
<input type="checkbox"/>	XYZ END USER 1	1243 COMPONENT E	DIESEL ENGINE	I-670645	10-Mar-2011	4		Open
